

Changes regarding auction conditions!

Please note!

Dear Autobid.de customer,

We are delighted that you are interested in our auctions.

Please take note of the following information:

There is no direct knockdown in this auction. At the end of the auctions the vehicles on offer will initially be reserved and this also applies to bids that equal or exceed the starting price.

You will receive a decision within 72 hours of the end of the auction as to whether the vehicle is being sold at the price of the highest bid submitted.

We wish you every success in the bidding!

Your team at Autobid.de
